Although Executive Order 53 from the Governor exempts the operation of government, the Planning Commission will implement health and safety measures before and during any meeting to help prevent the spread of COVID-19 in accordance with federal and state health and safety guidance. Any members of the public who attend a meeting will be expected to comply with these measures, including being physically spaced at least 6 feet apart, both in the Dr. A.J. Ferlazzo Auditorium and Atrium. It is highly recommended that masks be worn at all times in county government buildings.
